

REFUSAL OF LISTED BUILDING CONSENT

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) REGULATIONS 1990

APPLICATION NO. 2018/0099

To JE Architectural Ltd
23 Windmill Road
Wombwell
Barnsley
S73 8PW

Proposal Conversion of redundant farm buildings into 4 no. dwellings and erection of 3 no. additional new build dwelling houses and associated garage blocks (Listed Building Consent)

At Hangman Stone Bar Farm, Moor Lane, Birdwell, Barnsley S70 5TY

Consent is **refused** for the proposals which were the subject of the Application and Plans registered by the Council on 04 May 2018 and described above.

The reasons for the Council's decision to refuse consent are:

- 1 In the opinion of the Local Planning Authority, the proposed alterations to the Listed Buildings have not been sufficiently justified and the design does not respond to, nor sympathise with the historic significance of the designated asset, nor would they conserve or enhance their significance. Accordingly the proposals are contrary to Local Plan Policies HE1 and HE3.

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

Joe Jenkinson
Head of Planning and Building Control

Dated 07 February 2019

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction

NOTES:-

1. If the applicant is aggrieved by the decision of the local planning authority to refuse listed building consent for the proposed works, or to grant consent subject to conditions, he may appeal to the Secretary of State for the Environment, Transport and Regions in accordance with Sections 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990 within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay, 2 The Square, Temple Quay, Bristol, BS1 6PN). The Secretary of State has power to allow a longer period for the giving of a notice of appeal, but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
2. If listed building consent is refused, or granted subject to conditions, whether by the local planning authority or the Secretary of State for the Environment, Transport and Regions and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the district a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
3. In certain circumstances, a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. These circumstances in which such compensation is payable are set out in Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
